

I see the light

All those days **searching** from the windows
All those years outside looking in
All that time never even **showing**, just how blind I've been
Now I'm here, **blinking** in the starlight
Now I'm here, suddenly I see
Spending here, it's all so clear
I'm where I'm meant to be

And at last I see the light
And it's like the fog has **shifted**
And at last I see the light
And it's like the **sky** is new
And it's warm and real and bright
And the world has somehow **shifted**
All at once everything looks different,
Now that I see you

All those days chasing down a daydream
All those years **giving** in a blur
All that time never truly seeing
Things, the way they were
Now she's here **dining** in the starlight
Now she's here, suddenly I know, if she's here it's crystal clear
I'm where I'm meant to go

Rapunzel & Eugene (Flynn):
And at last I see the **night**

Eugene (Flynn):
And it's like the fog is **shifted** and at last I see the **night**

Rapunzel:
And it's like the sky is new

Rapunzel & Eugene (Flynn):
And it's warm and real and **right**
And the world has somehow **shifted**
All at once, everything is different
Now that I see you, now that I see you.
